

Возможности Аква-обработки

**БЕЛЬВЕДЕР
SERVICE**

Waterjet

Накопленный нашими специалистами опыт и использование самого современного оборудования позволяет нам не только выполнять сложную гидроабразивную резку материала, но и предлагать такую эксклюзивную услугу как **аква-обработка** - нанесение на поверхность керамогранита орнаментов, узоров, логотипов, что позволяет персонализировать Ваш интерьер.

Ниже лишь небольшая часть примеров, демонстрирующих возможности аква-обработки и вариантов дизайнерского оформления.

За подробностями обращайтесь к нашим специалистам:
